

What's more important; Pesticide/Herbicide FREE, GMO FREE, ORGANIC, LOCAL, SUSTAINABLE, HUMANE or FRESH/UNPROCESSED?

Well, that's not a question that can be answered in one sentence. It depends. Frequently, one of these factors follows another, such as true humane being pastured. If you've got small children in your home than pesticide free is very important. Fact is, they are all important, but it may be hard to find food in your area that is all of the below. You'll have to decide based on your own situation which factors are most important and affordable to you.
